

Entry-Level Steel Building Erector Positions

Are you looking to start a rewarding career in the construction industry? Do you have a strong work ethic and a passion for hands-on work? We are seeking dedicated individuals to join our team as a Steel Building Erector. No prior experience is necessary – we will provide comprehensive on-site training to those eager to learn.

Position: Entry-Level Steel Building Erector

Location: Various locations within the Okanagan – *travel may be required.*

Job Type: Full-Time / On-site

Compensation: Competitive salary with opportunities for overtime

Benefits: Available after 3 months of full-time employment.

Responsibilities:

- Assist with the assembly and erecting of steel building structures under the supervision of an experienced Ironworker.
- Learn to use cranes, hoists, and other construction equipment imperative to the job.
- Work alongside experienced steel erectors, receiving hands-on training.
- Safely follow construction plans and safety procedures.
- Maintain a clean and organized worksite.
- Work as part of a dedicated team to meet project deadlines.

Requirements:

- No prior experience necessary; we will train you!
- Willingness to learn and take direction.
- Ability to work in a fast-paced, physically demanding environment.
- Strong attention to detail and safety-conscious mindset.
- Ability to work at heights and in varying weather conditions.
- Reliable transportation to job sites.

Not Required, but would be an asset:

- First Aid | Level 1
- Fall Protection
- Elevated Work Platform (EWP)

If you're eager to learn a trade that is in high demand and offers long-term job security, please apply today to become a Steel Building Erector with Norsteel.
